Call for selection for students
Double Degree with ESC Clermont Business School (France)
AY. 2022-23

The Department of Economics and Management "Marco Fanno" (dSEA), within the framework of the partnership stipulated with ESC Clermont Business School (France), opens a call for selection for Double degree exchange mobility program.

Selection, based on academic qualification and interview outcome, will be for the following:

<table>
<thead>
<tr>
<th>Partner University</th>
<th>Duration of the exchange period</th>
<th>Intended Students</th>
<th>Note</th>
</tr>
</thead>
<tbody>
<tr>
<td>ESC Clermont Business School, France</td>
<td>Full year</td>
<td>4</td>
<td>only for “Business and Administration” Students</td>
</tr>
</tbody>
</table>

1. Eligibility requirements

The admission to the exchange program is possible for those students that are regularly enrolled at the first year in “Business Administration” at the Department of Economics and Management "Marco Fanno" for AY. 2021-22.

The exchange period is planned for the full second year.
2. Terms and conditions for submitting the application

Applications must be submitted online by connecting to the Moodle platform of the Department of Economics and Management "Marco Fanno" within December 6, 2021, before 12:00 p.m. (local time GMT + 1).

3. Selection criteria

The selection criteria will be applied as follow:

A. For students holding a Bachelor’s Degree from an Italian University:
   i. score obtained in the selection test for the Master’s Course for the AY. 2021-22: 40 points.
   ii. motivational interview and knowledge of English language: 50 points;
   iii. previous international experiences, to be evaluated during the interview: 10 points.

B. For students holding a Bachelor’s Degree from a foreign University (international students “degree seekers”):
   i. score obtained in the selection for the Master’s Courses for the AY. 2022-22: 40 points.
   ii. motivational interview and knowledge of English language: 50 points;
   iii. previous international experiences, to be evaluated during the interview: 10 points.

During the interview the committee will also analyze the eligibility of the student for the partner Institution.

If more than one student obtain the same final score, we will accord the priority to the younger candidate.

4. Interview and assessment of English language

The motivational interview will take place in English and it will mainly focus on the candidate’s interest for studying at the partner Institution for the Double degree award.

In the course of the interview and in the absence of language certificates, the knowledge of the English language will be verified. Admitted certificates: Common European Framework of Reference
for Languages published on the CLA website (http://cla.unipd.it/test-linguistici/certificazioni/) with a maximum validity of 3 years at the time of the expiry date of the call for selection. Self-evaluation is not allowed.

The interview will take place on December 2021. 
The International Office of the Department of Economics and Management will communicate by email the schedule of interviews on the basis of the received applications.

5. Administrative compliances for the selected students

The departure of the winners is always subject to acceptance by the partner Institution. Each student should oversee his/her visa process and health insurance practices. Fees paid by students to Padova University also include accident insurance and civil liability insurance, which is also valid for those who travel abroad.
For more information on insurance coverage abroad, please visit the university website at: https://www.unipd.it/assicurazione.

6. Scholarship

In order to define the scholarship for the Double degree program students have to attend the final budget assignment from our International Relations Division.
In order to be able to claim the reimbursement of costs, it is necessary to provide documentary evidence of the presence at the partner institution for not less than two months.

Padova, 11/11/2021

Prof.ssa Paola Valbonesi
Dean of the Department of Economics and Management “Marco Fanno”
Padova University
