Bando di concorso per l’assegnazione di premi per tesi di Laurea Magistrale del Dipartimento di Fisica e Astronomia "Galileo Galilei"

I Edizione
Preliminary

The Department of Physics and Astronomy "Galileo Galilei" of the University of Padova announces a competition for the allocation of Awards for Master's theses to students in the field of Physics and Astronomy, to be carried out by the same Department, in order to recognize and valorize the scientific contribution of students meritorious in the completion of their own academic path.

The Awards for the master's degree will be articulated as follows:

- Awards "Galileo Galilei" for master's theses in the field of Physics and Astronomy;
- Awards for master's theses in honor of people who have contributed significantly to the development and passion for specific themes of interest to the field of Physics, Astronomy and Astrophysics and related applications, also with the suggestion of periodic financial awards to external researchers.

The first edition of this present competition foresees the establishment of:

3 Awards "Galileo Galilei"

1 Award named in honor and memory of "Emanuela Menossi Paccagnella".

The Awards foreseen for the first edition amount to €1,000 each (due to the recipient) each.

Art. 1 Requisiti richiesti per la partecipazione al bando di concorso

The Awards are reserved for candidates and applicants in the possession of the master's degree in Astrophysics and Cosmology or in Physics or in Physics of Data achieved at the University of Padova in the solar years 2020 and 2021.

Art. 2 Modalità e termini di presentazione della domanda di partecipazione

The application to the competition, directly to the Director of the Department of Physics and Astronomy "Galileo Galilei" of this University, shall be made in simple text according to the attached model and the original application, shall be made before 12:00 on 3 May 2022 with the following modalities:

- by an e-mail message with the subject "Bando di concorso per l'assegnazione del Premio Galileo Galilei per tesi di Laurea Magistrale" to the email address dipartimento.dfa@pec.unipd.it;
- accompanied by digital signature on the same document and on all attached documents, the signature is placed on the front of the document in the manner defined by the University and in the manner Per l’invio telematico della documentazione dovranno essere utilizzati formati statici e non direttamente modificabili, privi di macroistruzioni e di codici eseguibili, preferibilmente PDF/A.

Si precisa che la ricevuta di ritorno inviata automaticamente dal gestore di PEC o in alternativa la mail di conferma da parte della Segreteria dell’avvenuta ricezione del messaggio per le domande inviate tramite posta elettronica costituiscono di per sé conferma dell’avvenuto invio della propria candidatura e relativa documentazione richiesta.

Non saranno accolte domande di partecipazione pervenute oltre la scadenza prefissata.

La/Il candidato/o dichiara sotto la propria responsabilità:

a) cognome e nome, luogo e data di nascita, cittadinanza, codice fiscale, sesso, il numero telefonico e l’indirizzo e-mail;
b) di aver conseguito presso l’Università degli studi di Padova il titolo di Laurea Magistrale in uno nei corsi di studio afferenti al Dipartimento di Fisica e Astronomia negli anni solari 2020 e 2021 specificando la data del conseguimento, la votazione riportata, il titolo della tesi e il nominativo del relatore interno;
c) di impegnarsi a comunicare tempestivamente ogni eventuale cambiamento dei recapiti indicati nella domanda di partecipazione;
d) di essere a conoscenza e di accettare tutte le norme contenute nel bando di concorso.

La documentazione da allegare alla domanda e da trasmettere tramite PEC o e-mail è la seguente:

1. copia di un documento di identità personale valido (non necessario se la domanda è firmata digitalmente);
2. riassunto della tesi di laurea, in lingua italiana o inglese (max. 2000 caratteri), con indicazione del nominativo del relatore interno, la tesi nella sua interezza verrà acquisita d’ufficio nella versione depositata al momento della laurea;
3. elenco di al più 5 punti significativi della tesi (elementi di carattere innovativo).

Le domande che non soddisfino integralmente le condizioni richieste non saranno prese in considerazione.

La partecipazione al bando comporta l’accettazione integrale del presente regolamento.

La falsa produzione di documenti e/o l’attestazione mendace comporta l’esclusione dal concorso oppure il diritto di rivalsa nel caso di premio già assegnato.

**Art. 3 Procedura di assegnazione dei premi**

I premi saranno assegnati in base al giudizio insindacabile espresso da una Commissione nominata dal Direttore del Dipartimento di Fisica e Astronomia “Galileo Galilei”, composta da un minimo di 5 ad un massimo di 7 commissari, inclusi:

- il Direttore del DFA;
- (almeno) 3 docenti dell’Ateneo nelle materie di interesse per i premi di laurea, individuati su proposta del Direttore;
- Esperti in materia, delegati da eventuali finanziatori esterni di una o più premi, laddove presenti.

I criteri di valutazione per l’assegnazione dei premi si basano sui seguenti indicatori:

- acquisizione della valutazione della tesi espressa dal relativo relatore interno, ogni relatore può sostenere una sola tesi;
- qualità e originalità del lavoro svolto;
- congruenza con le tematiche specificate negli ambiti indicati nel bando;
- applicabilità dei risultati del lavoro svolto;
- in caso di candidati equamente meritevoli, il Premio intitolato a “Emanuela Menossi Paccagnella”, sarà conferito preferenzialmente ad una candidata che abbia svolto una tesi in Fisica Teorica.

La Commissione si riserva il diritto di non assegnare i premi a disposizione, se, a suo insindacabile giudizio, le candidature presentate non saranno ritenute meritevoli.
La candidata vincitrice o il candidato vincitore riceverà comunicazione a mezzo di posta elettronica, all’indirizzo indicato nella domanda di partecipazione, del conferimento del premio e dell’eventuale data della cerimonia di consegna.
L’esito della selezione sarà pubblicato sul sito web dell’Università degli Studi di Padova, (https://www.unipd.it/premi-studio-laureati) e sul sito del Dipartimento di Fisica e Astronomia (https://www.dfa.unipd.it/servizi/amministrazione-trasparente/sovvenzioni-contributi-sussidi-vantaggi-economici/)
Il nominativo della vincitrice e/o del vincitore sarà altresì pubblicato nella sezione “Amministrazione trasparente” del sito web del Dipartimento (ai sensi dell’art. 27, c.1, lett. f), D. Lgs. n. 33/2013 “Riordino della disciplina riguardante il diritto di accesso civico e gli obblighi di pubblicità, trasparenza e diffusione di informazioni da parte delle pubbliche amministrazioni”).

Art. 4 Ammontare dei premi e modalità di erogazione
L’importo del premio è di 1.000 Euro (lordo percipiente) e sarà corrisposto in un’unica soluzione dal Dipartimento di Fisica e Astronomia “Galileo Galilei”.

Art. 5 Responsabile del procedimento amministrativo
Ai sensi dell’art. 4 della legge 241 del 7 agosto 1990 (Nuove norme in materia di procedimento amministrativo e di diritto di accesso ai documenti amministrativi) è nominato Responsabile del procedimento amministrativo il Segretario del Dipartimento di Fisica e Astronomia “Galileo Galilei”.
I candidati hanno facoltà di esercitare il diritto di accesso agli atti del procedimento concorsuale secondo le modalità previste dal Decreto del Presidente della Repubblica del 12 aprile 2006 n. 184 (Regolamento recante disciplina in materia di accesso ai documenti amministrativi in conformità al capo V della Legge 241/90).

Art. 6 Trattamento dei dati personali
Il trattamento dei dati personali raccolti per le finalità individuate nel presente bando avviene nel rispetto delle disposizioni del Regolamento UE 27 aprile 2016, n. 679 (General Data Protection Regulation, GDPR).
"Titolare" del trattamento è l’Università degli Studi di Padova con sede in Via 8 Febbraio, 2 - 35122 Padova.
L’informativa completa è disponibile presso il Titolare del trattamento o alla pagina www.unipd.it/privacy.

Art. 7 Informazioni generali
Il presente bando di concorso con il fac-simile per la domanda di ammissione sarà disponibile sui seguenti siti:

Foreword

The Department of Physics and Astronomy "Galileo Galilei" of the University of Padua announces a competition for the attribution of Master Thesis Awards, in order to recognize and value the scientific contribution offered by its most talented students in the successful completion of their educational path.

The awards will be divided into:

- "Galileo Galilei" Awards for Master Thesis focused on general topics in physics, astronomy, astrophysics and their applications, which will be funded by the Department of Physics and Astronomy;
- Master Thesis Awards dedicated to scientists who have stood out for their passion and meaningful contribution to specific topics in physics, astronomy, astrophysics and their applications, also at the suggestion of possible external sponsors.

The first edition of the competition entails the attribution of:

- 3 "Galileo Galilei" Awards
- 1 Master Thesis Award in honor of "Emanuela Menossi Paccagnella"

The awards for the first edition of the competition amount to 1000 € (gross amount) each.

1. Requirements

The awards are reserved for young scholars who have completed a Master's Degree in Astrophysics and Cosmology or Physics or Physics of Data at the University of Padua in the two-year period 1 January 2020 – 31 December 2021.

2. Modality and terms of submission of the application

The application for participation in the competition, addressed to the Director of the Department of Physics and Astronomy "Galileo Galilei" and written according to the outline attached to this announcement (Attachment B), must be submitted no later than noon (12.00 CET) of the 3rd of May, 2022, by one of the following means:

- by certified e-mail (Italian PEC) to the following address: dipartimento.dfa@pec.unipd.it (maximum size allowed 100MB)
  - the subject of the e-mail must be "Bando di concorso per l'assegnazione del Premio Galileo Galilei per tesi di Laurea Magistrale"
  - the application must be accompanied by a certified digital signature affixed to it and to all documents in which the handwritten signature must be affixed in a traditional setting;
  - in the absence of a certified digital signature, by sending the scanned copy of the manually signed application, along with a copy of the identity document of the applicant; all documents in which the handwritten signature must be affixed in a traditional environment must be similarly transmitted in a signed copy;
by e-mail to the address didattica.dfa@unipd.it
- the subject of the email must be "Bando di concorso per l'assegnazione del Premio Galileo Galilei per tesi di Laurea Magistrale"
- the application must be manually signed and a scanned copy must be attached to the e-mail along with a copy of the identity document of the applicant.

For the digital transmission of the documents, static and not directly modifiable formats must be used, with no macroinstructions and executable codes, preferably PDF/A. Please note that, for the applications sent by certified e-mail, the return receipt will be sent automatically by the PEC manager, whereas for the applications sent by e-mail, the return receipt will be sent by the Department of Physics and Astronomy Secretariat. Failure to comply with the deadline indicated for the submission of the application for participation in the competition will result in exclusion from the selection.

In the application form the candidate must declare under his/her own responsibility:

a) surname and name, place and date of birth, citizenship, sex, tax code, telephone number and e-mail address;
b) to have obtained the Master's Degree from the University of Padua, in one of the Master’s Degree programmes offered by the Department of Physics and Astronomy in the two-year period 1 January 2020 – 31 December 2021, specifying the date of the acquisition of the degree, the final grade, the title of the master thesis and the name of the internal supervisor.
c) to commit to promptly communicate any change of telephone number and/or e-mail address indicated in the application form;
d) to be aware of all the rules contained in the competition notice.

The application must be accompanied by the following documents:

1. copy of a valid identity document (not necessary if the application has a certified digital signature affixed to it);
2. abstract of the master thesis, in English or Italian (max 2000 characters), including the indication of the thesis supervisor (the final version of the thesis will be acquired by the Secretariat from its digital archive);
3. a list of max 5 points which express the innovative nature of the thesis work.

Applications that do not fulfill all requirements will not be taken into consideration.
The submission of the application implies the acceptance of all the rules of the present notice for competition.
The submission of false documents and/or false declarations imply the exclusion from the competition or the reimbursement of the award if already assigned.

3. Award assignment procedure

The prize will be awarded based on the unquestionable judgement expressed by a Committee nominated by the Head of the Department of Physics and Astronomy “Galileo Galilei”, composed of a minimum of 5 and a maximum of 7 members, including:

- the Head of the Department of Physics and Astronomy;
- (at least) 3 teaching staff members of the University of Padua whose fields of expertise include the subjects of the master thesis awards proposed by the Head of the Department;
- experts nominated by possible external sponsors, whenever present.

The evaluation criteria are summarized below:

- endorsement of the candidate by the internal thesis supervisor (each supervisor can endorse just one thesis);
- quality and novelty of the thesis work;
g) consistence with the topics proposed in the notice of competition;
h) in case of equally deserving candidates, the award dedicated to “Emanuela Menossi Paccagnella” will be assigned to a female candidate who has carried out her thesis work in the field of Theoretical Physics.

The Committee reserves the right not to award the prize if, at its sole discretion, no candidate will be deemed worthy.
The winner will be notified of the award and the date of the possible awarding ceremony by e-mail, to the address indicated in the application form.
The outcome of the selection will be published on the University of Padua website (https://www.unipd.it/premi-studio-laureati) and on the website of the Department of Physics and Astronomy (https://www.dfa.unipd.it/servizi/amministrazione-trasparente/sovvenzioni-contributi-sussidi-vantaggi-economici/).
The name of the winners will also be published in the “Amministrazione trasparente” section of the website of the Department of Physics and Astronomy (in compliance with art. 27, c.1, lett. f), D. Lgs. n. 33/2013 “Riordino della disciplina riguardante il diritto di accesso civico e gli obblighi di pubblicità, trasparenza e diffusione di informazioni da parte delle pubbliche amministrazioni”).

4. Award amount and method of delivery
The gross amount of the award is 1000 € (gross amount) and will be paid in full by the Department of Physics and Astronomy “Galileo Galilei”.

5. Head of the administrative procedure
Pursuant to art.4 of Law 241 of the 7th of August 1990 (Nuove norme in materia di procedimento amministrativo e di diritto di accesso ai documenti amministrativi), the Department of Physics and Astronomy “Galileo Galilei” Secretary is nominated Head of the administrative procedure.
Candidates have the right to exercise the right of access to the documents of the competition proceeding according to the procedures established by the Decree of the President of the Republic of the 12th of April 2006 n.184 (Regolamento recante disciplina in materia di accesso ai documenti amministrativi in conformità al capo V della Legge 241/90).

6. Protection of personal data
The parties undertake to comply with the provisions of the General Data Protection Regulation [GDPR(UE) 2016/679] regarding the protection of personal data that may be acquired and/or used for carrying out the activities described above.

The English version of the Regulation is available from the EU Regulation page on the website of Italy’s supervisory authority: www.garanteprivacy.it

7. General Information
The present competition announcement along with the application form will be available on the following websites:
- https://www.dfa.unipd.it/servizi/amministrazione-trasparente/sovvenzioni-contributi-sussidi-vantaggi-economici/
- https://www.unipd.it/premi-studio-laureati
Further information can be requested by sending an e-mail to didattica.dfa@unipd.it, entering in the subject field the following heading: "Bando di concorso per l'assegnazione del Premio Galileo Galilei per tesi di Laurea Magistrale".
